3 Bedroom, 2.00 Bathroom, 1,131 sqft
Residential on 0.18 Acres

Indian Battle Heights, Lethbridge, Alberta

Tucked into a quiet cul-de-sac, this thoughtfully updated and well-built home offers 3 bedrooms, 2 full bathrooms, and over 2,200 sq ft of fully developed living space—set on a large pie-shaped lot with no rear neighbours, backing onto a peaceful school field.

The main floor features vaulted ceilings, tile flooring throughout (no carpet!), a new kitchen with appliances added in December 2023, a spacious living room, main floor laundry, and a large primary bedroom with excellent closet space. Both full bathrooms are uniquely designed with separate zones for the sink, toilet, and tub/shower, making mornings more efficient for busy households.

Downstairs offers two additional bedrooms, a full bathroom, a great office nook, and a family room with a door, allowing it to be used as a fourth bedroom if needed.

This home has been well cared for and upgraded, including a high-efficiency furnace (2022), water softener (2023), new front siding (2023), new gutters (2023), and a new garage door. The yard has been regraded for great water management, and the original HRV (air circulation system) is still in place. There's also a tandem double garage and RV parking, offering plenty of storage and flexibility.

Located close to schools, shopping, and with quick access to University Drive, this move-in

ready property combines quality, convenience,
and value in a family-friendly setting.
