Step inside to a bright, open layout featuring tile and gleaming hardwood floors. At the front of the home, a versatile flex room can serve as a formal dining area, home office, or cozy den. The spacious great room is the heart of the home, complete with custom built-ins, a warm gas fireplace, and a large window that fills the space with natural light.

a few years old) adds fantastic living space â€” including a large bedroom, walk-up wet bar, games area, private office, and a media room complete with projector and screen. Thereâ€™s also loads of extra storage to keep everything organized.

Additional highlights include central A/C, an upgraded air filtration system, and thoughtful touches throughout.

Outside, enjoy low-maintenance living with artificial turf in the front and back â€” no mowing, no watering! The backyard is a private oasis with a stamped concrete patio, walled gazebo, tranquil pond with a babbling brook, mature trees, and full fencing.
