4 Bedroom, 4.00 Bathroom, 1,780 sqft

Residential on 0.07 Acres

Sunnyside, Calgary, Alberta

An Architecturally Designed Home in one of Calgary's Most coveted Locations. Experience elevated living in this custom-designed four-bedroom, four-bathroom home, ideally situated on one of Calgary's premier streets in a highly walkable and vibrant community. Thoughtfully crafted with clean architectural lines and a focus on light, flow, and function, this residence combines sophisticated design with everyday comfort. The open-concept main floor offers seamless transitions between living spaces, all anchored by a striking custom kitchen. Designed for both aesthetic appeal and culinary performance, the kitchen features rift-cut walnut cabinetry that extends to the ceiling, quartz waterfall countertops, a Carrara marble backsplash, a large central island, and intelligent storage solutions including a custom pantry and corner pull-outs.

A spacious dining area is enhanced by a built-in window bench with additional storage, a sidebar with glass-shelf built-ins, and a welcoming front entrance outfitted with a roll-out closet. Adjacent to the kitchen, a dedicated computer zone serves as a functional household hub—ideal for homework, remote work, or family organization. Natural light fills the home through Pella triple-pane windows with integrated coverings, while solid fir front and back doors create a warm, refined entry. The living space enjoys sightlines to both the front and rear yards, creating an inviting, open

atmosphere. Upstairs, the home offers three well-proportioned bedrooms, two beautifully detailed bathrooms, and a convenient laundry area. The primary suite is a serene west-facing retreat, featuring dual closets, 100% wool carpeting, and a spa-inspired four-piece ensuite with a deep soaker tub and glass-enclosed shower. The fully finished basementâ€”brightened by 9â€™™ ceilings and in-floor heatingâ€”includes a fourth bedroom, a full bathroom, a spacious den/office, a secondary living room, and generous storage. A large basement window in the office area ensures a comfortable and productive work-from-home experience.

The rear entrance, finished in travertine tile, includes built-in bench seating, a closet, and a discreet pocket door for clean visual separation. The double detached garage offers additional functionality with a workbench and storage shelving, supporting an active lifestyle. Outdoors, a west-facing backyard is perfect for entertaining and enjoying warm summer nights. The location is exceptionalâ€”overlooking a peaceful green space filled with fruit trees, and mere steps from McHugh Bluff, off-leash dog parks, the Hillhurst Sunnyside Community Garden, and the Bow River pathway system. Itâ€™™s also within walking distance to downtown, Prince's Island Park, and the trendy shops, cafes, and restaurants of Kensington. Close to everywhere you ever need to go. You may need a bike more than a car in this serene location:)
