Looking to downsize? Maybe getting into the rental market?? This smaller home on a large lot in Nampa would be a great option. This one-bedroom home, built in 1956, features newer appliances, roofing shingles, and a water heater; much of the work has been done. An unfinished basement could be utilized if more space is needed. The 70' x 150' lot has plenty of room, and a large shed and a garden are at the back of the property.
